

POLICY STATEMENT

Wearing of High Visibility Vests (vests)

Policy
Number
GN01
September
2013

Objective

To promote the safety of members in the water.

Background

Orewa SLSC has an obligation as part of Surf Lifesaving New Zealand (SLSNZ), Surf Lifesaving Northern Region (SLSNR) and club policies and regulations to protect the safety of members as best we can.

Procedures

- All members participating in club organised training will be required at all times to wear approved vests in the water. This includes when using personally owned equipment.
- All members using club owned equipment will be required at all times to wear approved vests in the water. This includes the use of club owned equipment outside of formal training sessions and on other beaches.
- All members will be required to wear approved vests during any competition events unless otherwise directed by event organisers.
- The style of approved vests will be determined by the Executive Committee at it's discretion from time to time and will be in accordance with policies laid down by Surf Lifesaving New Zealand and Surf Lifesaving Northern Region.
