Storage space may be in containers or inside the club room gear sheds.

This storage arrangement will be made available to those members who are competing for the Club in the current season, where space allows.

This agreement extends to any item of Club equipment that is allocated exclusively to a specific member, for their use only, during the course of the season.

9. The fee is not proportional if the storage is for only part of the term / year.
10. The annual term is from the 1st July to the 30th June each year.
11. The fee will be set by the Sports Committee before the commencement of each term.
12. The annual fee for this term is \$100.00 incl GST or \$200.00 incl GST for family membership.

The club reserves the right to cancel any storage arrangement at any time and require a member(s) to remove their equipment from storage. However, if a member chooses to remove their equipment from storage voluntarily there will be no refund of any storage fee already paid.
